

Start Right

Trinity St Peter's currently runs a very successful Start Right group for children aged from 0 – 3. The group runs on a Thursday morning and lasts for 1 hour 15 minutes.

We have currently welcomed our 50th member, Gus Curry, to our start right group. Gus and his mum enjoy meeting other mums, dads and grandparents whilst having fun together with all the toys.

The children are learning through play and building on development already gained with their parents.

The relaxed friendly atmosphere enables the children to play and learn in the safe environment of our school hall. Together we share stories and rhymes as well as drinks and a snack.

Start Right enables children to become familiar with staff in school as well as the school building. A relaxed informal meeting with their parents present gives the children an added confidence for when they start school at nursery from 3 years of age.

With books to share together and take home, role play and weekly creative activities, lots of fun is had by all.

If you would like to come and join us or require more information then please contact Janet Giles, Start Right Manager or call in at the school office.
